### **Remarks**

The foregoing amendments and remarks are directed to formalities, in order to move the above-referenced patent application to issue. Entry of this paper is respectfully requested.

### **Remarks to the Cross Reference**

In the Cross Reference, the changes were made in order to provide that this application claims priority from Israeli Patent Application No. 134512, filed February 13, 2000.

### **Remarks to the Specification**

The amendments to the specification are editorial in nature and are meant to correct form and language only. No new matter has been added.

It is respectfully asserted that none of the above listed changes add new matter. Approval is requested to the above listed changes.

Should the Examiner have any question or comment as to the form, content or entry of this Amendment, the Examiner is requested to contact the undersigned at the telephone number below. Similarly, if there are any further issues yet to be resolved to advance the prosecution of this application to issue, the Examiner is requested to telephone the undersigned counsel.
